

Mail Bid Sale 98

Smokey Stover, manager

Sale 98 has a number of unusual items worthy of your attention. First of all, there is a large selection of philatelic literature to enhance your library. There are also quite a few large mixed lots of higher-end items – check the worldwide category. Also, don't miss the German offices lots included under Germany. There is strong Britain and Canada and an unusual amount of early US with some fancy cancels. As usual, don't forget to peruse the Bargain Bin offerings.

A note about Sale 97: Bidding will close on December 15 as scheduled. But because of some family issues, I will not be able to send out the invoices and mail the lots until early January. I am sorry for the inconvenience. - Smokey
